ABSTRACT

This policy directory was compiled to facilitate the processing of interlibrary loan requests among the libraries of the Capital District Library Council (CDLC). The information provided results from a questionnaire completed by the interlibrary loan staff of the CDLC libraries in December 1977. Interlibrary lending policies and reproduction facilities are indicated for each of the 44 member libraries/library systems, as well as interlibrary loan telephone numbers, office hours, and a courier schedule. PREFACE

This policy directory was compiled in an effort to facilitate the processing of interlibrary loan requests among the libraries of the Capital District Library Council. The information which appears here results from a questionnaire completed by the interlibrary loan staff of the CDLC member libraries in December 1977. Contained within is information about the interlibrary lending policies and reproduction facilities of CDLC libraries. Interlibrary loan telephone numbers and office hours are also included.

About Arrangement and Format

A loose-leaf format was chosen so that revised policies could be updated easily.

The policies are arranged alphabetically by institution name.

Parts of the questionnaire which were not applicable to a particular institution appear incomplete in the directory. Additions can be made as necessary.

The National Union Catalog (NUC) codes are supplied in computer equivalent form consistent with the CDLC Union List of Serials.

We wish to thank Charles Custer for his assistance in the preparation of the directory, Irving Stephens of RPI for supplying information on the Direct Access Program and Lillian Gertzberg for her patient and skillful work as typist.
